Highlights

Quick release neckstrap
The quick release neckstrap includes a safety mechanism that automatically uncouples when the MP3 player is pulled strongly. This makes it also convenient to remove the neckstrap.

Ultra soft strap material
The ultra soft strap is made from durable cotton, which has a soft-touch to the skin. This makes it extra pleasant to wear.

Flexi-Grip design
A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.

Bass beat vents
Bass beat vents allow air movement for better sound with a deep rich bass

Neodymium speaker drivers
Neodynium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

Super soft rubber caps
The ultra soft rubber material on the rubber caps are sensational to the touch and adapts effortlessly to your ear. In-ear headphones have never been this comfortable.

Vibrant colors
Choose from fuschia pink, lime green or ice blue ear buds to pump out your music. The Bubbles headphones also sport a unique bubbly shape and transparent wave design on the body to hike up the fun factor
